PRESS RELEASE

For Immediate Release

Middle Village, NY -- Friday, October 7, 2016 -- On the evening of September 28th 2016, Middle Village Preparatory Charter School (MVP) proudly hosted their 2nd Annual High School Fair. Organized by MVP Guidance Counselors, Ms. Nichole Clemente and Ms. Tara Deahn, the successful event was attended by 7th and 8th grade students and their parents from MVP. “Having a private High School Fair for our very own middle schooler’s, is truly unique to MVP, and something that we’re proud to offer our students and their families each year,” says Ms. Clemente. The high school representatives provided insight and information to students and their families about their respective schools. Also on hand were current high school students who graduated from MVP, to give their perspective on the transition from middle school to secondary education. “This is such a great opportunity for MVP students and families to gain exposure to New York City High School’s, as well as the perfect time for us to showcase what bright and talented kids we have here at MVP!” says Ms. Deahn. Both Counselors agree that they look forward to continuing the relationship between MVP and local New York City High Schools!
