MVP anticipates that more than 120 students will submit applications, therefore MVP will hold a lottery to fill its 120 student 6th grade seat space.

Each prospective student will be entered into the lottery drawing. MVP will select students, one at a time, untill all seats have been drawn. MVP will inform you as whether your child has been awarded one of the 120 open seats. If your child is not awarded an open seat through the lottery, your child will be placed on a waiting list for future openings. You do not have to be present but we encourage you to attend.
